

WHY YOU SHOULD CONSIDER MOVING WITH PORTABLE STORAGE CONTAINERS

BENEFITS OF USING PORTABLE STORAGE CONTAINERS

You can **move at your own pace**, taking as much or as little time as you need

Your belongings will be safe and secure with our **tilt-free delivery** system

Your **belongings** will be **moved** to your new location **whenever** you're ready

You'll **save money** on your next move by using **portable storage** compared to movers

60% of Canadians identify **moving** as one of life's most **stressful** experiences

Results from annual nation-wide survey conducted in June 2019 by BigSteelBox

Much of the **stress** associated with moving is due to a **lack** of **planning** and **organization**

To help **reduce stress**, we've created a helpful **moving checklist** that covers what to do before, during and post-move

HOW MOVING USING PORTABLE STORAGE WORKS

STEP 1: We deliver your portable storage container

STEP 2: Pack your container on your own schedule

STEP 3: Call us and our team will move your belongings

STEP 4: Unpack at your own pace and call us when you're done

The Move Out Bin is pleased to offer simplified moving and storage solutions to the **Windsor** and **Essex-County** community, and the surrounding area.
